

1892-3. The "4 Atts" Surcharges.4 Atts on 24 Atts.Setting 2⁶Forgeries.

Forgeries purporting to be the variety "Siamese surcharge omitted" of which no genuine copies are known, are fairly common, and examples are shown below of various types.

(i) English surcharge forged.

In these copies a forged English inscription has been added to an unsurcharged stamp.

(ii) Siamese surcharge fraudulently removed.

The stamp below is a genuine copy of Setting 2⁶ from which the Siamese part of the surcharge has been cleaned off. The inevitable rubbed look caused by this process is well shown.
